

Antiqued Ornamental Stoneware

2023 / 2024

Manufactured by Hampshire Gardencraft Limited

Hampshire Gardencraft Limited are pleased to present their latest catalogue of antiqued ornamental stoneware. The collection contains everything from classic urns, pots and statuary to stone benches, plaques, the famous animal sculptures and specially commissioned novelty items.

The latest edition contains many exciting additions to the product range, which have been developed over three decades to create one of the most varied collections available to the garden ornament and antique trades today.

Customers can now choose from a selection of over 400 pieces, all combining fine detail with top quality and cost effectiveness.

We reserve the right to change or discontinue products at our discretion.
